Easter Sunday.....	April 12

An Episcopal Church

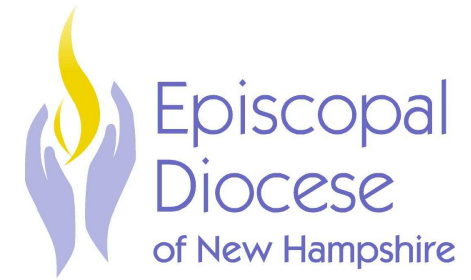

The Church of the Transfiguration is part of the Episcopal Church in the United States of America, a member of the worldwide Anglican Communion with which we share traditions of faith and order. The Episcopal Church has its origins in the Church of England which in turn has its roots in the early Church. Our traditions include attitudes that are Protestant and Catholic, ancient and reformed, liberal and conservative.

The Episcopal Church is a place where we are encouraged to ask questions and to explore our faith together. We confirm our faith in a balance of

- The Holy Scripture
- The teachings of those who have gone before us
- Reason, God's continuing revealing of Godself to us

as tested in the community of faith, with whom we learn and share in our spiritual growth together. As members of the Episcopal Church of the USA we are part of the Diocese of New Hampshire.

The mission of the Episcopal Church in the Diocese of New Hampshire is:

- To proclaim by word and example the Good News of Jesus Christ
- To seek and serve Christ in all persons, loving our neighbors as ourselves
- To strive for justice and peace among all people, respecting the dignity of every human being

*Infinite respect for one another...
radical hospitality for the world*

The Church of the Transfiguration strives to welcome parishioners, newcomers and the community by embracing the ideals of Radical Hospitality and Infinite Respect. To this end:

❖ we share our worship space with the Etz Hayim Synagogue, and engage in joint programs, such as lecture series, discussion groups and the Awesome Mountain Summer Camp.

❖ Transfiguration is the home of the Derry Head Start program, serving children and parents in the community.

❖ we have committed 0.7% of our budget to support the United Nations Millennium Development Goals to eradicate extreme poverty by 2015.
